Free breakfast club opportunity

Dear parents/carers,

You may have heard via the media that the government has launched a Universal Free Breakfast Club Early Adopters programme. **This would mean that pupils can attend school from 8:15 - 8:45am, completely free of charge and receive a healthy breakfast.**

St Bernard's has expressed an interest in being involved in the programme when it begins in the summer term. We hope that this will support our children and families in the morning and boost our attendance and punctuality figures.

Currently, our existing breakfast club runs from 7:45 - 8:45am in the school hall, led by school staff. Parents using this already would benefit as there will be a discounted cost using the government funding from 8:15 - 8:45am. Any parents not currently using this would still be able to book a place for their child from 7:45 - 8:15am, paying a fee.

The universal 8:15 - 8:45am free breakfast club offer will be open to all children at St Bernard's from Years Reception to Year Six. However, we need to know how many families are interested and would take up the offer so we can check viability with staffing costs. We politely request that parents complete the form below to express interest. Once this is completed, the school can then provide further information about next steps.
