

Our Vision:
**EXCELLENCE
IN ALL WE DO**

Our Mission:
**TO GROW,
LOVE AND LEARN
FOLLOWING JESUS**

T2 and T5 Science Trip

Dear parents/carers,

This half term T5 are studying Earth and Space as part of our science work and T2 have been looking at Materials. We have organised a trip to the Catalyst Museum in Widnes to further support the children's learning. As well as exploring the museum, T5 will be experiencing the Planetarium Show and T2 will be taking part in a Soap Making workshop. The trip will take place on Tuesday 4th February. We will leave school at 9.30am and return before the end of the day. Your child will need to be in full school uniform and bring a coat and a packed lunch.

The school is covering the admission cost & workshop fee for the Museum and we are asking parents to pay £7 for the cost of the coach. This can be done through Parent Pay. If you have any concerns about school-related costs, then please speak to the school office directly. We are working hard to ensure money is never an issue and all pupils can enjoy everything the school has to offer.

If your child requires a free school meals lunch, please choose their sandwich option [HERE](#)

Thank you for your support.
